

Customer Story

Isla Aesthetics

Isla Aesthetics is an aesthetic medicine spa offering a variety of anti-ageing and cosmetic procedures to their clients. At Isla Aesthetics each client is offered a treatment plan to give them an enhanced and youthful appearance while retaining their natural looks. No attempt is made at altering a person's appearance completely.

Botox fillers, Kybella, PDO smooth threads, chemical peels are some of the treatments offered at Isla Aesthetics. All clients are offered an assessment session where one of the treatment experts at Isla Aesthetics counsels them about their cosmetic requirements. Amber Dawn-Gurule is the founder of Isla Aesthetics and also a Master Aesthetic Injector.

Challenge

Amber had previously seen the impressive work done by Growth99 for other websites. She wanted Growth99 to do the same for Isla Aesthetics by creating an attractive and easy to use website. Amber hoped to gain more online bookings for Isla Aesthetics with the help of a strong SEO strategy implemented by Growth99.

She also wanted to have more popularity for Isla Aesthetics on various social media platforms. Amber wanted to display her aesthetic medicine spa and introduce her team to potential clients through the means of a new website that Growth99 would design.

Solution

Growth99 focused on designing a website that was elegant, user friendly and would attract more clients for Isla Aesthetics. SEO driven blogs and social media posts were regularly uploaded in order to increase the ranking of Isla Aesthetics during online searches.

Due to a new and aesthetically pleasing website, more client bookings started taking place online. A smart digital marketing strategy has helped to enhance the web presence of Isla Aesthetics on various online platforms.
