

Customer Story

Premier Med Spa

Premiere Med Spa is an aesthetic medicine clinic offering some of the best treatments available in skin care and anti-ageing. Achieving a youthful appearance is a dream cherished by many. Premier Med Spa helps to achieve this dream with their range of laser services, fillers, cosmetic procedures and much more.

A team of qualified and experienced professionals ensure that each client gets due attention and medical care before and after their treatment. Redefining a person's natural beauty using advanced cosmetology techniques is the principle followed at Premier Med Spa.

Challenge

Premier Med Spa partnered with Growth99 in December 2020 after seeing the fascinating work done by the later for several other websites. Premier Med Spa wanted Growth99 to create an impressive website that would attract more users. They wanted Growth99 to use digital marketing strategies to help their website rank higher up during online searches.

Premier Med Spa wanted Growth99 to manage their online branding, digital marketing and to do SEO for their website.

Solution

Growth99 created a website for Premier Med Spa that was elegantly designed, easy to use and informative at the same time. They also focused on making the name of Premier Med Spa appear prominently during web searches on social media and other online platforms. Blogs and other keyword driven content was uploaded on the website regularly to attract viewers. Premier Med Spa now enjoys a larger patient base than before. Their new website allows clients to make their bookings at the click of a single button.
