Aerolase treatment, Cryotherapy, Morpheus 8 anti ageing therapy are some of the technologically advanced treatments offered here.

The motto at Ardor Laser And Skin Care is to give a youthful glow to the clients, while retaining their natural beauty. A team of experienced and qualified professionals work diligently to offer satisfactory treatment to all clients. Clients are given personalized treatment options to suit their requirements.

Challenge

Ardor Laser And Skin Care approached Growth99 as a direct referral in 2021. They were impressed with some of the other websites that Growth99 had worked on. Ardor Laser And Skin Care were facing difficulty due to very low viewership of their website. Online bookings were close to zero.

Ardor Laser And Skin Care did not have any strong marketing strategy to advertise themselves to a large mass of audience.

Solution

Growth99 designed an elegant and user friendly website for Ardor Laser And Skin Care. This website attracted more users who later converted into potential clients. Paid advertising and social media marketing has helped Ardor Laser And Skin Care to rank higher up during Google search.

Ardor Laser And Skin Care Clinic now enjoys a larger client base and an increased number of online reviews.
