

## Customer Story Julija Dimante

*Julija Dimante is a Nationally Certified Aesthetician with a passion for aesthetic medicine and cosmetology. She grew up in Europe and since her childhood was attracted towards the concept of skincare and beauty. Julija holds certificates awarded by the Society Of Clinical And Medical Laser Hair Removal. She has trained in several medical spas, plastic surgery clinics and beauty salons across Europe and the US.*

*Julija has a degree in nursing as well, which has helped her understand the medical aspects of beauty and cosmetology. Her aim is to provide the best services to her clients and help them regain their youthful appearance. Julija works with several patients at Khrom Dermatology and Aesthetics and Art Of Natural Beauty Centre.*

### Challenge

Julija approached Growth99 in 2021 as a direct referral from another satisfied client. She had heard great things about Growth99 from this client who was happy with the quick marketing results offered to them. Prior to this, Julija did not have her own website and needed help with online branding.

She was hoping that Growth99 would help her to advertise her skills and services as a certified aesthetician to a larger audience. Julija wanted to reach out to more people and increase the number of patients she helped through her website.

### Solution

Growth99 designed a brand new website for Julija Dimante based on her requirements. The website is a portrayal of her qualification, professional expertise and services she provides. SEO driven word content that was creative and informative helped website users to get acquainted with Julija's talent.

Local SEO helped Julija to amass a good patient base with long term association. Her website began appearing higher up during Google My Business searches.
